ABOUT ME

People-oriented and results-driven professional with experience leading strategic digital marketing, branding, employee engagement, and organizational development initiatives within the steel industry. Recognized for strong leadership performance, organizational impact, and the ability to wear multiple hats across marketing, HR, operations, culture, and executive-level initiatives. **Searching for opportunities in the San Diego, California Region.**

CURRENT WORK EXPERIENCE

Marketing and Human Resources Manager

EA Fab Corporation | Pittsburgh, PA | May 2023 - Present

- Revamped company website with SEO and AEO optimization strategies, increasing website engagement by **313%**
- Grew LinkedIn and social media presence by **76.95%** year-over-year through strategic digital marketing initiatives
- Developed and implemented comprehensive branding guidelines and new marketing campaigns that directly generated qualified sales leads
- Increased new-hire retention rate to **80%** through employee engagement initiatives, structured onboarding, and professional development programs
- Designed and led **24 executive leadership training sessions** over two years for a 12-member team to improve management development and organizational alignment
- Established and managed a structured internship/co-op program and student outreach initiatives spanning 4 departments, strengthening workforce development and talent pipeline efforts
- Directed cross-functional planning and operations for the AIST conferences, managing a 16-person team, experiential booth redesign, employee training, and customer engagement strategy

Choreographer and Dance Instructor

Ultimate Dance Complex | Pittsburgh, PA | August 2016 - Present

- Choreographed competitive routines including 35+ dancers of ages 10–18, earning multiple top 5 placements at regional competitions.
- Led masterclasses focused on dance foundations, technical development, and advanced combinations to strengthen versatility.
- Instructed classes of approximately 40 students at a time, fostering a structured, engaging, and supportive learning environment for dancers of varying skill levels.
